### NOTES

Days of the school year are numbered consecutively from 1 to 202 excluding the non-contact days for teachers when students are not required to attend. Schools are not open for operation on week-ends and as such, those days are not shown on this calendar.

Semester 1 2006 commences for students on Monday 23 January and on Thursday 19 January for teachers.

**SFD** **STUDENT-FREE DAY:** Non-contact (student-free) days for teachers to undertake professional development activities are Thursday 19 January and Friday 20 January, Tuesday 18 April, Monday 10 July, Monday 23 October. Teachers are required to be on duty for a further, locally arranged, non-contact day (Ministerial special holiday for students, usually taken in association with a local show or carnival). Permanent part-time teachers not rostered and called in on this additional day must be paid from local school funds.

**PUBLIC HOLIDAYS:** Public holidays, set by the Department of Employment and Training, are proposed only. Gazetted public holidays for a local show or carnival are not shown due to diversity of dates across the state. Public holidays are usually not approved through Parliament until November annually.
